

Caribbean Youth

A hidden Talent

I come from a very diverse family, which taught me since I was a child to embrace diversity as an advantage that works in my favor and that small actions can make grand changes when we work together.

How youth see the European Union?

Respectable

Serious organization with a meaningful impact on our countries

Distant

Some sort of high level organism that does not get involved with our daily life

Progress

Symbol of innovation and prosperity

More involvement from the European Union

A

Sense of belonging

B

Leaving behind
burden history and
resentment

C

Developing a
stronger critical
thinking

D

Platforms to explore talents
(art, music, sports, model of
united nations)

More involvement from the European Union
