## Examples

### Horizon 2020

Project name | FALAH

Budget | € 1 306 400

Duration | 01/10/2020 - 30/09/2024

**Objectives** | The project builds its multidisciplinary research around the strict connection between agriculture and food, and it focuses on the family role in farming and food in the area of the Pacific Islands. The project will mobilise a network of European researchers partnered with institutions from Australia, Fiji, New Caledonia, Solomon Islands and Vanuatu engaged in food security, environment and health. The final purpose of the project is to support family farming as a significant factor in food security.
